

## Francisco Moreira Pinto

*Área: Psychosocial Rehabilitation*

Master in Digital Game Development from the University of Aveiro and Bachelor in Multimedia from the School of Media Arts and Design. He is passionate about creating interactive experiences that combine technology, design, and storytelling, exploring engines such as Unreal Engine and Unity to develop immersive and educational games. He is a creative, critical, and determined professional with a passion for learning and teamwork, who values projects that have a positive impact on people and the community.
